Dear parent/guardian,

Foster Primary School is looking forward to another great year of teaching and learning and would like to advise you of Foster Primary School's voluntary financial contributions for 2022.

The ongoing support of our families ensures that our school can offer the best possible education and support for our students. Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to continue to operate a wider offering of subject and special curriculum experiences, such as the Stephanie Alexander Kitchen Garden Program (Grade 3 – 6 students), *Art, Music, Drama and Physical Education*.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Scott Moorhouse
Principal

Matt Wallis
School Council President
