

CLASSROOM NEWS

week of:

CLASS MEETINGS

We have a class meeting every two weeks. We also have a board for what's not working well and what is working. We have a vote majority rules wins.

Kitchen

In kitchen we have groups of people that we work with and every group makes a different meal that we share the food with the other groups so everybody can try a different food to. If we get stuck when were making the food an adult will help us :).

ANIMAL PROJECT

In our class we are studying Australian endangered animals and researching on the computers and writing down interesting facts on sheets of paper and we are making a special information piece as in a poster, diorama or even a book.
