

# CLASSROOM NEWS

week of:

Class meeting  
We like the class meeting, because we get to say our opinions. We use majority rules so it is fair.

Homework

If you do your homework you get a prize from the prize box. You need to do three challenges or more and bring it in on Friday.

Spelling baseball  
In spelling baseball you need to get the spelling word right to go to base one!

Kitchen and Garden

We like garden because you can know what kinds of foods you can eat and what you can't. In kitchen you get to get plants from the garden and make it into delicious food.

By Lola and Griffin.
