

CLASSROOM NEWS

week of: 7 3/4M

Pen Licences

3/4s are all working towards a pen licence. If we learn enough joined writing we can get one. We have a sheet and if we get 10 stickers we get a pen licence!

Endangered animal project

We are learning about some Australian endangered animals such as cassowaries. We are going to show our projects by making posters, dioramas or a books. We are possibly doing an expo to show our learning.

Lawson

Spelling baseball

Spelling baseball is a game where there are fielders and batters. The fielders ask the batters to spell a spelling word and if they spell word correct they move to first base if they get it wrong they get a cross. If you get 3 crosses you're out! If you get it right 4 times you get a homerun which equals 1 point.

Multiplication tables

We are doing multiplication tables. If we get all of our times tables correct we move on to division. After that is double bangers. like $21 \div 3 + 6 \times 6 = 43$
